Introductory note

This introductory note does not form a part of the notice

The following notice gives notice of the transfer in part of an environmental permit to a new operator (the transferee) and the changes made to the original permit (the transferor's permit).

The partial transfer of the permit from DB Schenker Rail (UK) Limited to S.Walsh & Son Limited will not change the operating conditions or activities on site. A revised site boundary plan has been included within Schedule 4 of this notice.

Any changes made as a result of the part transfer are set out in Schedule 1.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.

Status log of the permit
